

1st Announcement: 30th Meeting of the Hellenic Society for Neuroscience (HSfN)

Dates: November 24-26, 2023

Venue: National Centre for Scientific Research "Demokritos"

Official Language: English

Dear Members, Colleagues, and Guests,

We are excited to announce that the **30th Meeting of the Hellenic Society for Neuroscience (HSfN)** is scheduled to take place from **November 24 to 26, 2023**, at the National Centre for Scientific Research "Demokritos."

Overview

This year's meeting will feature a blend of:

- Plenary Lectures
- Symposia
- Oral Presentations
- Poster Sessions

These events will span various aspects of neuroscience research, allowing participants to delve into both well-established and emerging topics.

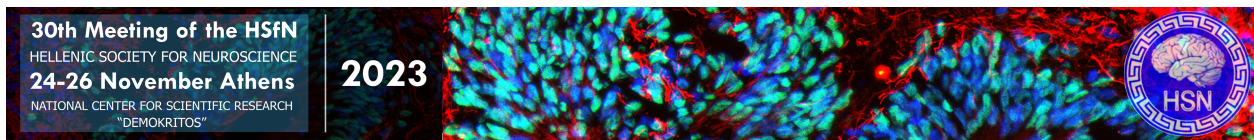

Language

Please note that the official language of the meeting is English, facilitating the participation of an international audience.

Mentorship and Career Development

One of the key elements of our biennial meeting is our commitment to mentorship and career development. We strive to support our graduate students and early-stage investigators. This year's meeting will feature:

- Special sessions aimed at career development
- Networking opportunities
- Initiatives to increase the visibility of young scientists
- 26 short talks delivered by young scientists, selected from the submitted abstracts
- A large number of studentships awarded to facilitate the participation (travel and accommodation) of young scientists

Anticipated Outcomes

We believe that the HSfN's 30th Meeting will be an invaluable forum for our young scientists. It will not only offer them a chance to increase the visibility of their research but will also provide an opportunity to learn about cutting-edge developments in neuroscience from leading researchers and scientists.

Abstract Submission Deadline

Please note that the deadline for abstract submissions is estimated to be at the end of September 2023. Detailed guidelines and submission procedures will be announced shortly.

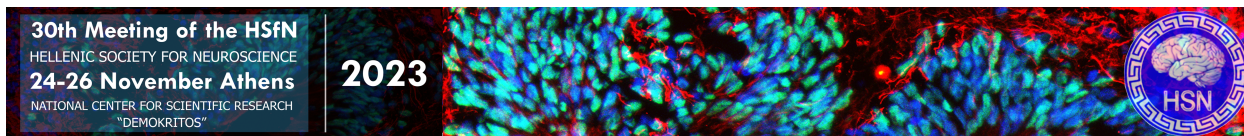

Mark Your Calendars!

Save the dates and stay tuned for more details including the opening of registration, submission guidelines for abstracts, and much more.

We look forward to welcoming you at the 30th Meeting of the HSfN!

Warm regards,
